March Term 1852

Be it remembered, that on the trial
of this cause said plaintiff to maintain the
issue on his part read in evidence to the court
the judgment rendered at the April Term of the
Circuit Court of said County of Bureau A.D. 1841
against the land in controversy for the taxes due
thereon assessed in the year 1840 which judgment
is in the words and figures following to wit:

State of Illinois

Bureau County,

Whereas Carleton W. Combs collector
of said county returned to the circuit court of

said county on the twenty seventh day of march A.D. 1841 the following tracts & parts of tracts of Land as having been assessed for taxes by the assessor of said County of Bureau for the year 1840 and that the taxes thereon remained due and unpaid on the day of the date of the said Collector's return and that the respective owner or owners have no goods and chattels within his county on which the said collector can levy for the taxes interest & costs due and unpaid on the following described lots to wit:

Names of persons chargeable with Tax	Description of Lands	Amount of Valuation	Date of Tax	Costs	Year for which Tax is due	County
Peter Bruce	S.W. 3d 14 N R 8 E	640	3.20	.22	1840	Bureau
Mason D. Garrett	S.W. 32d 14 " 9 "	480	2.40	.22	"	"
Michael Pitts	S.W. 36 15 " 7 "					

and whereas due notice has been given of the intended application for a judgment against said lands, and no owner hath appeared to make defense or show cause why judgment should not be entered against said lands for taxes interest and costs due thereon for the year herein set forth - Therefore it is considered by the court that judgment be and is hereby entered against the aforesaid tracts of land or parts of tracts in the name of the State of Illinois for the sum annexed to each parcel of land being the amount of taxes interest and costs due thereon, and it is ordered by the court that the said several tracts of land or so much thereof as shall be sufficient of each of them to satisfy the amount of taxes interest and costs annexed to them

everally be sold as the law directs

The plaintiff then read in evidence the precept issued on said judgment which is in the words and figures following to wit:

State of Illinois

Bureau County³ Whereas Carlton W Combs collector of said County returned to the circuit court of said county on the twenty seventh day of March A.D. 1841 the following tract and parts of tracts of land as having been assessed for taxes by the assessors of said County of Bureau for the year 1840 And that the taxes thereon remained due and unpaid on the day of the date of the said Collector return and that the respective owner or owners have no goods and chattels within his county on which the said collector can levy for taxes interest and costs due and unpaid on the following described lots, to wit:

Name of Persons chargeable with Tax action.	Date of action	Description of Land	Description of Value Amount	Year for which Tax is due	County
State of Illinois vs Peter Bruce	Suit for Taxes S.W. 3 - 14 N. R8 E	Four principal lands \$ 640	\$ 65 3.20	1840	Bureau

And whereas due notice has been given of the intended application for a judgment against said lands and no owner hath appeared to make defense or show cause why judgment should not be entered against said lands, except as herein after excepted, for Taxes, Interest and costs due and unpaid thereon for the year herein set forth. Therefore it is considered by the court that judgment be and is hereby entered against the aforesaid tracts of land or parts of tracts (excepting those marked on the margin "paid

collector" the taxes and costs or which were paid to
the collector previous to judgment) in the name of
the State of Illinois for the sums annexed to each
parcel of land being the amount of taxes interest and
costs due thereon and it is ordered by the Court that
the said several tracts of Land or so much thereof
as shall be sufficient of each of them to satisfy the a-
mount of taxes interest and costs annexed to them
severally be sold as the law directs

"Know all men by these presents that whereas
at the April Term A.D. 1841 of the Circuit Court of Bureau

containing One hundred and sixty acres lying in the
County of Bureau for the sum of Two Dollars and
ninety one cents being the amount of Taxes interest
and costs accrued upon the said tract of land for
the year A.D. 1840, and whereas on the nineteenth
day of April A.D. 1841 Cyrus Langworthy then Sheriff
of the said County aforesaid by virtue of a precept
issued out of the Circuit Court of the County aforesaid
dated the Seventh day of April A.D. 1841, and to him

directed, did expose to public sale at the door of the Court house in the County aforesaid in conformity with all the requisitions of the Statute in such case made and provided the tract of land above described for the satisfaction of the judgment so rendered as aforesaid, and whereas at the time and place aforesaid Timothy K. I hereby certify that the foregoing is a correct
copy of a Deed filed for record September 2^d 1843
at 10 o'clock AM. and Recorded September 13th
1843

Oliver Boyle Recorder

To the reading of which in evidence the
defendant objected and assigned as reasons
First; That the plaintiff should make the pre-
liminary proof to authorize the certified copy to
be read and secondly; that the deed showed on
its face that the land was sold for more costs

then was warranted by the judgment.

The plaintiff then read in evidence an affidavit of the plaintiff in the words and figures following to wit: (No such affidavit has been filed in this suit, of H. A. Clark)

The plaintiff then called Cyrus Bryant who testified that he was Clerk of the Circuit Court of said County at the date of said deed and acknowledgment; that the Sheriff acknowledged a great many Deeds, and some to said Ferrell before him as such Clerk, and generally the Sheriff took the Deeds after acknowledgment and delivered them to the parties himself; but the witness had no recollection of the particular deed. The plaintiff then called James O' May who testified that he had called upon the administrators of Timothy K. Ferrell he being deceased for said Deed and received for answer that it was not among the papers of said Estate and was not in their possession. That he had also written to James O' May who resides in the East for said deed and received for answer from him that he had not possession of said original deed - that he acted in this matter as the agent of his brother the said James O' May, he having purchased said land from said Ferrell and sold to the plaintiff by Plaintiff's deed -

The plaintiff also offered to show title from said Ferrell to said May and from him to Plaintiff.

The plaintiff also offered to prove seven consecutive years ~~of payment~~ possession of the taxes assessed on said land next prior to the commencement of this suit, and under said deed and that the defendant was in possession of said land at the time of the commencement of this suit.

The court overruled the said first objection to said certified copy of said deed and decided that the plaintiff had sufficiently laid the

foundation for the reading in evidence such copy in place of the original. The court then sustained the second objection to said deed and decided that it appeared from the face of the deed that the land was sold for more costs than the said judgment warranted and refused to allow said deed to be read in evidence to which decision of said court in sustaining said objection and refusing to allow said copy of said deed to be read in evidence the plaintiff then and there excepted.

The court found the issue for the defendant to which finding the plaintiff then and there excepted.

The plaintiff moved the court for a new trial, which the court overruled, to which last decision the plaintiff excepted.

The evidence above recited was all the material evidence offered on the trial.

The plaintiff pray's the court to sign seal and make of record this his bill of exception, which is done.
