Thomas Phillips &  
Warrin Hall

<sup>vs</sup>  
Thomas N. Fitch

In Supreme Court

Appeals from State

The Appellants Phillips and  
Hall enter a motion to extend the time for  
filing the transcript in this case for the  
reasons stated in the affidavit of M. P. Puple  
units attached

June 14 1852.

M. P. Puple Appellants Atty.

State of Illinois?

LaSalle County

M. P. Puple

being duly sworn  
says that at the last term of the State Circuit  
Court which was in April 1852. he made an  
arrangement with the Clerk of said Court to send  
him the transcript in this case to Peoria. He again  
saw said Clerk at Peoria during the May term of  
said Peoria Court and he then said that he had  
not yet had time to make out said transcript  
but would do so in a few days and forward  
the same to affirmant. Since that time affirmant  
caused a letter to be written to said Clerk upon  
the subject requesting said transcript to be forwarded  
but when affirmant left Peoria on Thursday evening  
last the same had not been received - that the  
same is not so received is not the fault of  
affirmant or his client and he knows no  
person why the same was not made out  
and forwarded as agreed and above stated
